

# Environmental Constraints

Eric T. Olsen

Hopping Green & Sams, P.A.

Tallahassee, FL

# Environmental Constraints

## Examples

- Significant saline water encroachment.
- Drawdown effects on wetlands, lakes & springs.
- Offsite land subsidence.
- Pollutant movement.

# Environmental Constraints Implementation

- Consumptive Use Permits – reasonable-beneficial & public interest.
- Minimum flows & levels.
- Water reservations.
- Water supply planning.
